Video Showing & Discussion

2 – 4 p.m.

Free and open to the public

Yu-Ai-Kai Building • 588 N. 4th Street, San Jose

Hidden Internment reveals the lesser-known history of Japanese Latin American Internment through the life story of Art Shibayama, who was taken from Peru on March 22, 1944 and interned in Crystal City, Texas. Over 2,000 Japanese Latin Americans were forcibly uprooted and interned. Despite their incarceration, they have been denied redress. Art continues to fight for reparations and full disclosure of this human rights violation.

Join us in to the showing of this video, followed by a question and answer discussion with Art Shibayama.

Hidden Internment is produced by Peek Media in association with the Japanese Peruvian Oral History Project, with funding from the California Civil Liberties Public Education Program.
